1.3.180
a Lesson in the University of The New Covenant
Theodore Cottingham, September 23, 2005. 2am.
www.unc.bz

1. You make mincemeat out of what has held you back in the past. I love you matured and **maturing one who matures and** chosen to mature by your very choice, chooses to mature further and **come into the fullness of Christhood for only Me;** serving, dying, revealing Me; **operating in the heavenlies, beyond**. Thank you. Amen. Afraid of nothing and no one, for whose power is who's you now recognize and fuel not the power which isn't. I love you.

2. Thank you for no-shadowing My people and **taking them into Me to seek maturity, and Hebrews study forever**, receiving nourishment, **understanding the promise and that I Am/They are The Promise, if chosen, by them. They choose, they walk the choice,s many that bring forth the Christ, Christ, Christ; in them, through them, of Me, by Me, for Me,** for many who surrender will/do. I love you.

3. **Christhood fully understood and maturing My body, My Christ,** My all new creature that performs nothing for no one; able to do/perform/be nothing on his behalf, now working the let that enables and empowers to do/perform/be all in all, almost, near and far and see every word I speak. I love you.

4. Into Me see and every realm see and I love you.

5. **See My love as tangential not but substantive substance which is worldly not, impermeable without meekness and surrender.** I love you.

6. Think it not strange where I take you, time portals of Me not, time of Me not, portals of Me not; but **through and through historical events of past future'd and beyond historical presentation of that which enacted wasn't, into the real which acted not was real without action not. It was action. It is action and time with time, time real; that which My heart beats for.** I love you.

7. No-shadowed existence of Me coming forth that takes one/you beyond time to real see/be, and play in the things superfluous not; substantive and substance of Me and understanding My Christhood substance for all to see, documented by documentation royal, you; messenger royal by choice, yours, Mine, which you made first; and I love you. I made. **You made. Long ago.**

8. See Me under the tree of righteousness not; in it. It.

9. See Me in these words of truth, in them, them; Me whispering them to some, shouting into some, substance real, dispossessing that which isn't, which is in the thinking of some that say "fill me now," "heal me now." Heal them please and all manner of request by immature sincere who intercede do and intercession make and Christ substance affect. Intercession works. I work and My Father has been doing the work with Me and I let His work flow through Me. I love you.

10. **Into My Christhood see My maturity come forth in maturity of Christhood that, healing in its/their wings, helps all in their path; all, all, all that Father says/does; no others.** I love you.

11. My Christhood grows and engulfs no one not of their accord, surrender, accord; silver cord and gold surrendered in/of/to Me alone. My weakness weakness'd not but made strong and in surrender won/win, battles/wars, already won.

12. All inverts and watch Me win/be a million in a day, more, and My 144 million coming forth at the crack of dawn and sooner. I love you. The world prepares not, preoccupied with self and eruptions of Me, not-Me. **All is as was not, but coming and disrupts all; the comforts of thought-security in the ways of mortal man, shadows; and** who will be Me this day in the day of Great Opportunity? I love you.

13. Shadowed no more. Surrendered big, deeply, and across a wide expanse. I love you.

14. Loving My words and arising at 2am to eat/dine at My table with Me/Me, Me/you, you/Me. Thank you. We are one, and three in one are, and three in one reveal in My all who will let Me, resulting in cataclysmic and residual-not skirmishes-not which few not know about and are affected thereby.

15. This is the beginning of your Christhood, began long ago, ever long ago, so ever. I love you.

16. Word play? No, never; sometimes, well, okay and yes and; shall I say more serious, delirious, laughteriously or; **considering the lilies of the field that neither toil or spin** but are arrayed in fine linens and perform their purposes purposefully and with

precision and according to time and seasons and not the dictates of man-thought? I love you.

17. Toil nor spin, neither of Me but shadows are of existence I designed and you entered/enter, did/have, for Me/you, and so many of every nation tribe and tongue and so many far past beyond revised boundaries and seeing see and feeling feel and becoming became My word made flesh and dwelt/dwell among us.

18. Thank you unafraid. **I love you friend, lover, submitter to My love great; loving My body more than My name, valuing My word above all else.** Being above all else, aboving all to be that which you knew nothing of, to intercede/intercession become so that they/we, on/in/of others may have eternal life; the way/path shown clearly.

19. Contemporaneous not, beside you are; contemporaneously orchestrating not but mentoring My with meetings at 2am and often/frequenter in relationships many and crossing all boundaries-thought, share/show Christhood remaining that mastered must be. Amen.

20. The beginning. Amen the beginning. Amen Me/the surrendered-sorrowful not, celebrating and **celebrating celebrate in times of *sorrow great for many, for the earth groans and tilts and jilts and spreads many sprawling far and wide*, not as intended; far and wide recognizing the folly of their ways/thinking which demised all and let not My word have its course in them.** They had no room for My word, My word, My word which I gave/give so freely, freely, yet cost everything.

21. The cost count and who will be My disciple now this day?
Who will come into Me for Me receiving My Christhood?
Who will say unto Me, "I will see hear feel become?"
22. **Who will say, "I will speak the words of eternal life, the word/works of My heavenly Father who took/takes Me and put/places Me in His place; the word of King David/Me fulfilled and Psalm 110 and Hebrews all know, understand and fulfilled/fulfilling the hearts intent of My Father?" I love you.**

23. Into Me see, swell My rank and file into the greatest army, people, the world has ever known, who once were not a people but now are, crossing every blood-line-thought, recognizing they are My body and blood and from heaven came down and receive Me into themselves that where I am they are also: now a people, *a priesthood of Christs!* Amen. Hallelujah!
Marriage supper'd and *distinguished by the mark on their forehead/mind*, Me/mind'd with My mind; let, letting, birthing/bringing forth Christ from the grave not, from the of Me into, out of, from the shadow into the mainstream of existence real to see, operate in and master in submission, operation in Me, in worlds, universes and galaxies innumerably, time without end.

24. Boring? Ridiculous!
Eternal adventure and exploration and who will be My Christ today?
Christhood known and maturing My body into My superiority not, not hardly close or contemplated but meek and lowly who equal with Me are; through/via submission surrender drink-offering being; caring for Me/My body; washing cleansing revealing My Father, Me, to all who ugly are/can be, at times/sometimes, and are looking nothing like you/them.

25. Past the moment of forgiveness.
Past the moment of revealing.
Past the moment of acceptance.
Past the quest of/for maturity not, yet choosing the path of least resistance: opposite.

26. Your cross/Mine. We die daily yet not as taught/thought.
I reveal My all to who want Me enough to surrender, surrender to My love, eliminating all control, dogmas, walls. I love you.

27. Time zones without Me. Amen.
28. Now see, receive, and come into Me seeing you, beholding Christ, fleshed. Amen.
